## OLD ENGLISH SILVER

A visit to our New York or Chicago House will prove the possibility of selecting a **Christmas Gift** of uncommon interest and one which will increase in value as the years go by.

The fact that the prices asked are the same as at the London House is a matter of much importance to the purchaser.

## REPRODUCTIONS OF THE OLD

For many years the House has specially trained its silversmiths for the making of reproductions.

The result is that the very spirit of the old lives again in the copies made by the House of CRICHTON.

### THE DEPARTMENT OF FRENCH BOOKS, A SPECIALTY OF THE NEW SCRIBNER BOOKSTORE, ON FIFTH AVENUE AT 48TH STREET

Such classical works as Balzac, Victor Hugo, Anatole France, Taine, and so on, in standard or de luxe editions, handsomely bound, or in the familiar French paper binding, may be viewed and purchased here. But the department is more unusual in aiming to be essentially "de Paris." It has the latest writings of the latest writers; the best of the French periodicals; the French children's books, so prettily prepared and illustrated; books on the social affair of the moment as well as the latest music opinion and art speculation. In fact "L'homme du monde" and the scholar will always find novelty and distinction.
